

DIRECTIONS AND TRAVEL INFORMATION TO MIRLEFT

From Agadir Airport

Get either a shared taxi or number 22 bus to Inzgane from the main road outside the terminal (walk over the car park and wait on the opposite side of the road) and from there you can get either a shared taxi or a bus to Tiznit, the taxi will cost 25 dirhams per person and the bus slightly more.

From Tiznit you can get a shared taxi to Mirleft which costs 13 dirhams and takes 35 minutes. (you might be charged slightly more for luggage)

It's also possible to get a shared taxi from Inzgane to Sidi Ifni and ask to be dropped in Mirleft but they tend to be few and far between and you have to ask at the taxi station.

If you haven't been to Morocco before and experienced shared taxi's, they tend to be crowded, to avoid being too squashed you can buy extra seats.

If you decide to take a shared taxis you should be in Tiznit no later than 5pm as it's difficult to get a shared taxi after then.

Your other option is a taxi to meet you from your flight and the cost of that is £45 payable in advance.

Please do not hesitate to contact me if you need any more information or would like me to order you a taxi.
